**PRAISE THE LORD**

By A Customer

I FOUND THIS BOOK VERY USEFUL Being a practicing Christian and not being into WICCA or Witchcraft I have never had the occasion to purchase a book on candle burning before now. I had always associated such practices and being associated with Satan worship. Boy was I dead wrong. The author says that candle burning is a positive force in the universe...and not at all negative like I had thought. I got out my

Bible and did one or two of the candle burning spells and found that the room was immediately energized with white light all around. I felt very peaceful . . . I had wanted to help someone in my family overcome a bad situation in their life (its somewhat of a personal matter so I wont go into it here), and a few days later I received a phone call from the family member and it turned out what I had prayed for using this book came about.I have given this book to others to use and they also report very positive benefits so I would recommend it to anyone who asked.

This book really works!!!!

By The Halloween Man

I have purchase this book over 2 years ago and I cannot understand those who say it is a waste of time. I am a hardened skeptic myself when it comes to so many of these self help, new age and magic books.. Very few perform the promised results but this one delivers 200%.. Every time I have used the candle rituals in this book, the results came extremely fast. This stuff really works.. and unlike other books of it's kind.. it doesn't send you out to purchase expensive oils and special made candles that cost a fortune in specialty shops. All you need is a bottle of olive oil and a 99cent candle if that's all you can afford.. and your ready to see miracles happen. No kidding, I take my spiritual life and rituals very very seriously.. and this book absolutley works. Don't be put off by the people who wrote the bad reviews, I have no clue what they are so down about.. Did they even try the rituals in this book, or did they just read it and decide, "hey, this can't work?" Well it does work.. and if you desire positive magic that will bring great results, please do buy this book. It's simple and inexpensive to use the rituals and you will be amazed at what happens!!!!

Magical Psalms

By S. Cranow

The bible consists of 150 psalms. William Oribello take the reader through beginning to end. In the introduction the author urges the reader not to try to hard to believe but just to go through the motions of the rituals. The presentation starts off with the preparation of candle method. Is the practitioner attracting or repelling. The next part tells the divine name of God that one needs to use. The third part tells the reader the purpose of the psalm.

There are certain times that are most beneficial for candle magic based on your birthsign. The planetary hours are based on the hours after sunrise. Since I am a Gemini and I was born under the planet Mercury the hours given to the day are as follows.

Sunday 3rd, 10th,and 17th hours : Monday 7th,14th,21st hours. : Tuesday 4th,11th ,18th hours : Wednesday 8th, 15th and 22nd hours : Thursday 5th,12th,19th hours. : Friday 2nd 9th, and 16th hours. Saturday 6th,13th,20th hours. Wednesday is the best day for Geminis.

Colors are very important for candle magic. Red - Energy or Love , Pink - Love, Green- Money and Good Fortune, Blue- Healing and psychic development, Purple - Power over enemies, -personal power or spiritual attainment.

Preparation of the candles is based on purpose. To attract put some oil on the bottom and rub toward the top stopping at the middle. Next put some oil at the top and rub toward the bottom stopping at the center. To repel you put the oil in the center and rub toward the bottom. Next you apply some more oil in the center and rub toward the top.

After anointing the candle you carve in the divine the name. Candle are prepared for one purpose and then not used for any other. Next it must be used for that psalm. OOnce the candle has burned down wrap it in cloth and bury it or throw it in running water.

## Steps of the ritual

1. After anointed and carved the candle is lit.
2. Say the psalm.
3. sincere prayer in own words.
4. silent meditation or visualization .
5. After meditation extinguish candle and then put it away.
